It's an election year, and here in Iowa that means nothing but constant TV advertisements, mail, and phone calls from the various polling places and political candidates. Pretty much every TV channel is filled with gloom and doom messages from political action committees or politicians asking for your vote. So, what a great time to switch over to some great anime or manga instead! Unless you like politics, in which case, you might try watching Love, Election, and Chocolate, or maybe Parasite or Psycho Pass! Unfortunately, there is no Obamacare: The Anime. Yet.

Last year we updated our web store in order to make finding products and in-stock information easier, as well as to get your orders out faster. This update also makes it much easier to shop with us on your mobile device. What's more, we're always adding great new products to our store, including lots of great import figures. These incredibly detailed collectibles are generally made in very small quantities, so if you have an interest in them, make sure to check our site regularly and preorder early or you could miss out! To help make sure nothing passes you by, you can sign up for our email list which provides updates on these and other new items every week.

Also, last year we began working with Sunrise to reintroduce the Gundam franchise to North America. We've released several Gundam series that have never been available to U.S. fans, such as *Turn A Gundam* - and our next release, *Zeta Gundam*, will be available by the time you're reading this! We're excited to continue filling in the gaps in 2016 with titles such as *After War Gundam X*, *Victory Gundam*, *Gundam ZZ*, and *Gundam Evolve!* And of course, even beyond that, there's plenty more Gundam to come!

Oh, and make sure to check out some of the great new releases from our Nozomi label! We recently announced the upcoming re-release of *Magic User's Club*, which has been out of print for some time. *Pita-Ten*, the ultra-cute and funny series based on the best-selling manga series of the same name, is finally available for fans of series like *Di Gi Charat*. And if the cold winter nights have got you down, grab some hot chocolate and check out one of our "healing anime" from Junichi Sato: *Tamayura* or *Umi Monogatari*. You can catch free episodes of all of these and more on both our Youtube channel (NozomiEnt) and on Crunchyroll. Stay tuned, because we've got a lot of exciting things in store for you this year from Nozomi!

So just remember, when you vote with your purchases, we hope you'll vote for RightStufAnime.com. When you think of anime and manga, think of Right Stuf! We promise value-priced anime for all, strong and sturdy packaging to defeat those who might damage your products, and a quick turnaround shipment to your door! Plus goodies in every package! In all seriousness, we love our customers, and that's why we're here. And we love hearing from you too - connect with us on social media, write us a letter, send us a picture of your anime collection! We're happy to be of service to you.

Best regards,

**STAFF PICK!**

**SHIROBAKO**

Ever wanted to get an inside look at the anime industry? Here's your chance. Shirobako follows five best friends from high school, now all trying to make it in anime. We follow a voice actress, a 3D graphics designer, an aspiring writer, and a key animator, but my personal favorite character to follow is Aoi, who works as a production assistant, in one of the most entry-level positions you can get on an anime series. Aoi interacts with everyone working on the show-within-the-show, from the animators to the chief director. Shirobako is a great look at the fun (and the chaos) that goes into working in anime.

**SAMURAI JAM: BAKUMATSU ROCK**

It was just three things standing between Ryoma Sakamoto and his dream of becoming a famous rock star: 1 - he's barely making ends meet working in a pizza parlor, 2 - the government of Japan has banned all rock music except for the prefabricated propaganda music performed by the state-run group Heaven's Songs, and 3 - he lives in Japan in the middle of the 19th century. Okay, so those are three very big problems, but on the other hand, Ryoma does own his own guitar (even if it's illegal to own one) and that's enough incentive for him to take his one-man show on the road in search of fellow rockers. Sure, getting all feudally footloose in a land where a battle of the bands will probably involve swords may be a risky business, but once fellow rebel rousers Kogoro and Shinsaku come on board, there's no telling where these six-string samurai might end up!

RUNTIME / PAGE COUNT

The listing for each item contains information detailing its approximate length. Depending on the manufacturer, this may or may not include extra bonus features, such as previews or forwards. An N/A indicates that the manufacturer has not yet provided this information.

DUB ONLY? SUB ONLY?

Although DVDs and Blu-ray discs allow for the possibility of multiple languages, it's not always possible to produce a title for dual-language release. So, you end up with manufacturers releasing discs that are Subtitled Only (SUB ONLY) or English Dubbed Only (DUB ONLY). Subtitled discs display the dialogue on the bottom of the screen while the actual voices are still in Japanese. Dubbed means the music is (probably) intact, but the voices have been redone in English. If we are aware that a title is dub or sub only, it will be noted as such in the product listing.

RELEASE DATES

If an item has not yet been released at the time of this catalog's printing, you may see a release date listed. However, manufacturers can (and often do) change these dates due to production delays. If you are pre-ordering an item and are concerned whether it's on schedule, please feel free to check the release date on our website or to contact our friendly Customer Care representatives.

OVA (OAV)

OVA stands for Original Video Animation. Basically, this means it is a direct-to-video release.

SPECIAL COLLECTIONS

Certain DVD and Blu-ray items are marked with names such as "Anime Classics," "S.A.V.E. Edition," etc. These are re-releases of the original discs at lower prices. However, these editions may or may not include all of the features that were found on the original releases. If you are concerned that the item you are considering may not contain the features that you want, please check the item's listing through our website or feel free to contact Customer Care.

MISSING VOLUMES

You may notice volume gaps in our printed catalog listings. This is not necessarily because the products aren't available, but merely because we couldn't fit every item into the printed catalog. If you are looking for a certain volume, please feel free to contact Customer Care or check our website.

OMNIBUS EDITIONS

An omnibus collects two to four "regular" volumes into one book. Omnibus volume numbers don't always match the regular volume numbers.

PRINT ON DEMAND (POD)

Some books are marked "Print On Demand." This means they are part of the Right Stuff Print on Demand program and are printed to meet orders. The paper quality used is higher than that of "regular" manga, but they may take extra time to ship if we do not have any copies already in stock.

DVD-R

These are DVDs printed to order by the manufacturer. They will play in DVD players that play regular DVDs. Please note that sometimes DVD-Rs will not play on older players.

DVD/BLU-RAY SPECIFIC

WHAT IS REGION CODING?

Region coding is a geographical restriction for DVDs and Blu-ray discs. Since players are region specific, you need to make sure that the item you purchase is coded for the same region as your player. All DVDs and Blu-ray discs we sell are region coded for the United States.

WHAT REGION IS MY PLAYER?

If you purchased your player from a retail outlet in the U.S., it should be Region 1 for DVD players or Region A for Blu-ray players. You can check the region coding on your player by looking for the region code symbol on the player's packaging.

DVD Region Codes:

- 0 Region Free
- 1 United States and Canada
- 2 Europe, Egypt, Arabia, Japan and South Africa
- 3 Korea, Thailand, Vietnam, Borneo and Indonesia
- 4 Australia, New Zealand, Mexico, the Caribbean and South America
- 5 India, Africa, Russia and former USSR countries
- 6 China

Blu-ray Region Codes:

- A The Americas, Korea, Japan and Southeast Asia
- B Europe, the Middle East, Africa, Australia and New Zealand
- C Russia, India, China and the rest of world

CAN MY BLU-RAY / DVD PLAY IN A PLAYSTATION / XBOX / PERSONAL COMPUTER?

It depends on the disc. There have been instances of some DVDs or Blu-rays having difficulty playing in certain players. While the vast majority will work just fine, we cannot guarantee all Blu-rays or DVDs will play correctly on your Playstation, Xbox, or personal computer. With Blu-ray disc issues, you might look to see if your player has a firmware update.

WILL A BLU-RAY DISC PLAY IN MY DVD PLAYER?

Just as CDs and DVDs require different types of players, so do DVDs and Blu-ray discs. In order to play a Blu-ray disc, you must have a Blu-ray player or a device capable of playing a Blu-ray disc.

WILL A DVD PLAY IN MY BLU-RAY PLAYER?

Generally a DVD should play on your Blu-ray player. However, as we are not a hardware manufacturer, we can't guarantee this. Blu-ray player manufacturers often issue firmware updates if there is an issue with one of their players. If you have a problem playing a disc, please check this first.

GENERAL

WHAT'S THIS "GOT ANIME" THING?

It's an easy way to get an additional discount on your favorite anime items. For a small yearly membership fee, you get additional discounts, newsletters, and members-only specials! Read more about the Got Anime Savings Club on page 2.

Memberships are non-transferable and are linked to the billing address of your account. If you move, please make sure to log into your account and update your address, or contact Customer Care so that we can update your membership information.

I SAW THIS SHOW THAT I THINK MIGHT HAVE BEEN ANIME. DO YOU HAVE IT?

If you can give us enough information, someone can usually identify the program. Please understand, though, that if you ask us about something where "there's a girl who's a magic user, a guy with a sword, and a villain who wants to take over the universe," there's a problem. This describes about half the films ever made. Also, knowing what a series or movie is doesn't necessarily mean that it's available in the U.S. as a licensed product, but it could be.

WHY ISN'T (TITLE HERE) AVAILABLE IN THE U.S.?

You might be surprised to find out how much anime is available in the U.S. Of the few titles that remain unlicensed, some titles have their rights disputed, some licensors want more money than a title can possibly generate in this market, and of course, some are currently in negotiation or are just now being shown. Many streaming services offer "simulcasts" where the current season as shown in Japan is available. We do not sell bootlegged products.

WHY DON'T YOU CARRY MANY IMPORTS?

Limited availability of imports and lack of timely distribution of such overseas items make it difficult to provide quality imports on a timely basis. As such, these items are generally only listed on our website, so if you're looking for a particular item, please check our website or contact Customer Care.

WHY DON'T YOU HAVE (TITLE HERE) AUDIO

SOUNDTRACK FROM JAPAN?

See the previous question. You also might want to check our website, since some titles are available domestically.

I REALLY WANT TO LEARN JAPANESE. WHAT RESOURCES DO YOU HAVE?

We have many products to help our customers learn about Japan and the Japanese language! Whether you're just starting out or you're ready to move onto the next level, we carry the latest items to help you learn the Japanese language. These items are available on our website, including everything from videos and textbooks to memory aids and intermediate readers.

CAN I SPECIAL ORDER ITEMS THAT ARE NOT ON THE WEBSITE?

Simply put, if it isn't on our website, we can't get it at the moment.

DO YOU CARRY ADULT PRODUCTS?

Since this catalog is delivered to anime fans of all ages, we've taken special precautions to ensure younger fans are not exposed to listings for products that contain adult situations or sexual content. We can provide information about these products by request, or you can select adult items on our online website search to review them.

If you would like to receive a printed copy a listing of adult products, you can send a written request to:

**PROMO CODES**

**CAN I USE MY PROMO CODE ONLINE?**

Yes, you can. Simply enter the promo code in the Promo Code box during your online checkout.

**HOW MANY PROMO CODES CAN I USE?**

You can only use one promo code per order, and some promo codes can only be used one time per customer. Some promo codes can also only be used through our website. This is generally due to specific date or manufacturer requirements, which cannot be imposed on mail-in orders. Please review the promo code restrictions to see if it can be applied to your order.

**MAIL-IN ORDERS**

**I WANT TO YOUR WEBSITE TO ORDER, BUT I DON'T HAVE A CREDIT CARD. HELP!**

Should you prefer to use the website to select items, you can actually use it to place an order by mail! Simply select all of the items you want and place them in your cart. When you proceed to checkout, print out the cart page with everything already added up for you (no more calculators!) and send this to us by mail with your payment.

Although you can use the website to generate your order, nothing will be recorded by our system, so make sure that you don't lose your form or you'll have to re-enter everything all over again! Online promo codes are not valid on mail-in orders. Why do you hold my order for 12 days when I pay by check? Even with all this cool technology, checks can still require at least 12 days to clear.

**WHAT'S THIS NSF CHARGE?**

"Non-Sufficient Funds" means that your check bounced. There is a \$25 charge for all returned checks. Once you have thrown a check, all further orders must be paid for by either credit card or money order.

**DO I NEED TO ADD SALES TAX?**

We collect tax only in Iowa.

**PAYMENT METHODS**

**DO YOU TAKE VISA / MASTERCARD / DISCOVER / JCB / AMERICAN EXPRESS?**

Yes to all. About the only plastic that we don't take are standard ATM and gasoline cards. If you're paying by credit card, we will use tools to detect fraud to check your payment, and we may contact you to obtain additional details for security purposes.

**IF I ORDER USING A CREDIT CARD, WHEN DO YOU CHARGE IT?**

A preauthorization may be made against your order when it is placed in order to validate the card. Billing to your credit card for your complete order will not occur until the product ships.

**CAN I PAY BY CHECK / MONEY ORDER / COD?**

We accept domestic (U.S.) checks and money orders in U.S. funds. Please make all checks/money orders payable to Right Stuf, Inc. All checks require at least 12 days to clear our bank. Sorry, no CODs. PLEASE DO NOT SEND CASH THROUGH THE MAIL!

**CAN I PAY WITH MY PAYPAL ACCOUNT?**

Yes, you may pay with your PayPal account at our website. We do not accept PayPal for mail in orders, though.

**SHIPPING CHARGES**

If you are shipping to a U.S. address and your order exceeds \$49 (before freight), then economy shipping is FREE!

**SHIPPING OPTIONS**

**Economy:** 4-14 Days.  
\$3.99 for first item + \$1 each additional item.  
**Expedited:** 2-5 Days.  
\$7.99 for first item + \$2 each additional item.

Rates for shipping in the printed catalog may be slightly different than online rates, which are based on a weight-basis versus a per item basis.

**HOW MUCH IS SHIPPING FOR BOX SETS?**

Box sets are considered a single item for shipping purposes for mail-in orders.

**I'M NOT AT HOME DURING THE DAY. CAN YOU SHIP TO MY OFFICE?**

Certainly. In fact, we prefer to do this to ensure that you actually receive your order. We require that you include the business' name in the address so your delivery person can get your package to you. If your package is returned to us, we will charge you an additional shipment fee to reshipe it.

**SHIPPING TIME**

**CAN I GET A SHIPPING CONFIRMATION SENT TO ME?**

Shipping confirmations are sent via email to the email address provided on the order form. Please make sure to write your email address as clearly as possible.

**HOW LONG WILL IT TAKE TO SHIP MY ORDER?**

From the time we receive your order, standard processing time is 1-2 days if all of the items on your order are in stock. If some of the items on your order are backordered, it takes an average of 10-14 business days for us to receive these items from the manufacturer and this may cause a delay in the shipment of your order. Once all of your items are in stock, your order will be shipped via your selected shipment method.

**HOW LONG WILL AN ITEM BE OUT OF STOCK?**

With a few exceptions, item delays can be measured in days. There are some freak delays, but 10-14 business days is pretty typical. However, please keep in mind that some items are directly imported from Japan and may be in short supply even there. Should the manufacturer or the Japanese vendor be out of stock at the time of our re-supply order with them, it may be a bit longer. We keep thousands of items in stock, and our computer system automatically adjusts stock levels based on demand.

**I CHOSE EXPEDITED SHIPPING WHEN PLACING MY ORDER, BUT IT TOOK 2 WEEKS TO ARRIVE. WHY?**

You must have ordered a product that we didn't have in stock at the time that we received your order. If an item is out of stock when we receive your order, we still ship it out by express delivery when we receive it from the manufacturer.

**DO YOU DO SPLIT SHIPMENTS?**

We may, at our option, ship your order in multiple shipments. Please note that, in general, only shipments using economy shipping will receive partial shipments. Due to increased transportation costs, orders shipping by expedited shipping may be held until the order is complete. You may request a shipment of in-stock items at any time for an additional fee (based on the ship method you have selected) by contacting Customer Care.

**RETURNING MERCHANDISE**

**WHEN I GOT MY ITEM, IT WAS DEFECTIVE. WHAT DO I DO?**  
If your merchandise is defective due to a flaw in manufacturing, we are more than happy to replace it. Unopened DVDs and Blu-rays can be returned for Right Stuf Gift Certificate (or in the case of credit cards, refunded to the issuing card).

All returns/refunds must be processed within 30 days (90 days if you are a Got Anime member) of the date on your purchase invoice. If you need to complete a return/refund, please obtain a return authorization number from Customer Care at 1-800-338-6827.

Items returned without a return authorization number, or those 30 days (90 days for Got Anime members) past the invoice date, will be refused and returned to the customer at our option.

**DO I HAVE TO PAY SHIPPING TO RETURN A PRODUCT?**

Yes, but if it is due to our error, we will reimburse you for the cost of shipping and correct it at our expense. If the return is not the result of our error, you will be responsible for the cost to return the item, and we will pay for the shipping back to you. We suggest using the least expensive shipping method available that can be tracked. If you have accidentally been shipped an item that you did not order, we will reimburse your shipping costs to return the item to us.

**THE PACKAGING SAID IT WOULD INCLUDE (SPECIAL ITEM), BUT MINE DOESN'T HAVE IT!**

Unfortunately, we have no control over what manufacturers decide to place inside of their products. Sometimes they do provide special extras, but we cannot guarantee that these items will be inside of the products that we receive. Should the item not be included, we suggest that you contact the manufacturer directly.

## STAFF PICK!

### HORIMIYA

Let's not overstate this: Horimiya is my favorite shoujo series of all time. It's a good ideal for what most shoujo series aim to be. The characters have actual personality, and rather than this series being a cheesy, we-love-each-other-immediately romance, this story is a slice-of-life, daily interaction of how the two characters come close together. I have recommended this series to all of my shoujo-loving friends, and not a single one has felt anything less than love for this series.

#### REQUIEM OF THE ROSE KING

I have a weakness for stories based on historical events, which is why I picked up this manga based on the Rose Wars. Like most manga adapted from history, this isn't meant to be taken as a straight adaptation, so you won't need to have any prior knowledge of the events its based off of. It's filled with dark drama, gorgeous artwork, and from the same author as Otomen and Blank Slate. If these are all things that fancy you, give it a try.

One private island, an inherited fortune, and a slew of blood-thirsty aristocrats. While the setting seems ubiquitous, special care is taken to make Umineko one of the most distinct psychological thrillers out there. A disturbing and complex saga chronicling a family's descent into the occult, the series is distilled with a sense of majestic despair. **MY NEIGHBOR SEKI**

So we've all known that kid from school. You know, that one that never pays attention and is always playing with something ridiculous when he should be learning algebra. My Neighbor Seki is about that kid, as well as the girl who has to sit next to him in class. Every day, Seki sits at his desk making whatever he feels like creating that day. But like that kid we all know, Seki's little projects are weirdly brilliant. That's actually a great way to describe this series. Telling the story of a boy in his own little world and the girl next to him, My Neighbor Seki is simply at first glance, but actually, in its own weird way, it's a work of brilliance.
